

Product Description

The Fatra prefabricated ventilation pipes have a PVC membrane flange enabling the ventilation pipe to be simply inserted and welded to the PVC sheet membrane. All ventilation pipes come with a rain cap to prevent water ingress through the top of the pipe.

Product Dimensions

Outlet Diameter	Inside Outlet Diameter	Outside Outlet Diameter
50mm	50mm	54mm
70mm	70mm	78mm
90mm	90mm	94mm
110mm	110mm	114mm
125mm	125mm	129mm
150mm	150mm	154mm
